

# 828 GRUND REINIGER RAMSAUER®

## (Basic cleaner) DICHTSTOFFE

### TECHNICAL DATA

Basis: Isopropyl alcohol, filled in aerosol cans  
Type: Solvent mixture  
Propellant: Propane/butane  
Form: Aerosol  
Colour: transparent  
Odour: solvent like  
Density: 0.785 g/cm<sup>3</sup> at +20°C  
Packaging: 400ml spray can / 12 pcs. per carton; 600ml and 1000ml cans, 6 pcs. per carton  
Storage life: 1 year in a cool and dry place

### CHARACTERISTICS

Special product for cleaning and degreasing metal surfaces; for removing oil and grease residues, wax, silicone, tar, bitumen, and synthetic resins. The product can be used on metals and a variety of plastics.

### APPLICATION

828 GRUND REINIGER is ideally suited for cleaning surfaces in industry, workshops, and households.  
828 GRUND REINIGER is an active cleaner on a solvent basis. The cleaner evaporates quickly without leaving any residues.

### PROCESSING

Spray excessively from a short distance onto the surfaces to be cleaned in order to make use of the mechanical cleaning effect of the spray jet as well. Subsequently, wipe with a clean and dry cloth. Use the product only in well ventilated rooms or outdoors. The product may partly dissolve some kinds of plastics and rubber (e.g. thermoplastics such as PVC,

Plexiglas®, polystyrene, etc.), as well as varnishes and paint coats. Therefore, we generally recommend to make compatibility tests before using the product.

If you have any further questions do not hesitate to get in touch with our application engineering department.

### HAZARD ADVICE

The container is under pressure. Do not expose to sunlight or temperatures above +50°C. Do not force open or burn even after use. Do not spray on flame or any incandescent material.

Keep away from sources of ignition. No smoking. Keep out of the reach of children. Explosible mixtures may form in case of insufficient ventilation. Do not use in closed areas.

### SAFETY ADVICE

Consult the current EC Safety Data Sheet which is available at all times on our website at [www.ramsauer.at](http://www.ramsauer.at).

### LIABILITY FOR DEFECTS

The information provided including but not limited to the proposals for processing and using our products is based on our knowledge and experience, usually at the time of going into print. The results of work may deviate from this information depending on the specific circumstances, in particular with respect to substrates, processing and environmental conditions. Therefore, neither this information nor any oral counselling shall constitute warranty or give rise to any liability on whatever legal ground for any specific result of work, unless we acted intentionally or by gross negligence.

Ramsauer warrants that its products will have the technical characteristics according to the Technical Data Sheets up to their expiry date.

Product users must consult the latest data sheet which is available upon request. Our current General Terms and Conditions apply which are available for download on our website [www.ramsauer.at](http://www.ramsauer.at).
